

DAVINES RETAIL SHELF TALKERS

We recommend printing these 5" x 7" cards
on white, uncoated paper stock.

A good paper weight is between #80 and #100.

Whenever possible, please consider using
environmentally-friendly paper and water-based ink.

Please note the text color is Pantone Warm Grey 11.

In addition to the 5" x 7" Davines metal frames, we also suggest the following:

RIBBA, from IKEA

Gallery Frame, from CB2

ONE WALL frame, from Amazon
